Rule Explanation

1. If a line is covered, either vertically, horizontally or diagonally, you have a chance to win a prize!
2. If two lines are covered, you have a chance to win a better prize!
3. If three lines are covered, you have a chance to win an amazing prize!
4. If four lines are covered, you have a chance to win a super astounding prize!
5. If five lines are covered, you have a chance to win a fantastic dream prize as a perfect prize!

\*In a case of many bigo winners, lottery chooses the prize awarding winner.

\*After the baseball game is over, the bigo game entry is limited to telephone, facsimile, mail or Web.
